

Information on Shares Purchase Deal

July, 11th 2022.

Dear Partners,

We are having talks with many groups, investment companies, banks and investment funds in order to raise the funds needed to finish our project in Portugal. We already accomplished the 1st. phase of our project (agricultural production/flowers).

We've received a firm offer from a Portuguese Company that would like to buy a 0,5% share of GRÜNE GROUP S.A. The Portuguese Company has agreed to do a loan (convertible in shares). They will pay EUR 150.000,00 per 0,5% of Burey's/GRÜNE GROUP S.A. shares.

We will wait for any manifestation from the partners in order to go on and close this deal.

Respectfully,

Sergio Merofa Junior
Director
BUREY-GRÜNELABS
GRÜNE GROUP S.A.
